

1. <sup>1</sup>O LORD, I love You, God, my strength, <sup>2</sup>You are my rock and for-tress,  
<sup>2</sup>4Sor - rows of death en - com - passed me, <sup>5</sup>The snares of death came af - ter.  
<sup>3</sup>9*He bowed the hea - vens down as well; He came, and walked on dark-ness,*  
<sup>4</sup>13The LORD has thun - dered out His voice, The High - est spoke and shat - tered  
<sup>5</sup>16God sent His ho - ly help to me; He drew me from the wa - ters,

In You I trust, sal - va - tion's horn, My buck - ler and high tow - er.  
<sup>6</sup>In my dis-tress, I called to God; His tem - ple heard my fal-t'ring.  
<sup>10</sup>*His steed, a cher-ub, wings of wind,* <sup>11</sup>*And dark - ness His pa - vil - ion.*  
All earth with hail and coals of fire, <sup>14</sup>His ar - rows fell as light-'ning,  
<sup>17</sup>God saved me from my en - e - mies, Whose strength was far be - yond me.

<sup>3</sup>I call on the LORD; His worth I will praise; I call on my God.  
<sup>7</sup>Earth trem - bled and shook, God's wrath came a - live <sup>8</sup>And then smoke and fire  
*Dark wa - ters, thick clouds,* <sup>12</sup>*And bright - ness and fire All passed be - fore God.*  
He scat - tered all those Who hat - ed His voice, He scat - tered their lies;  
<sup>18</sup>The e - vil day brought Their mis - chief to life But GOD was my stay

From en - e - mies a - round My God saves and de - liv - ers.  
Came forth, His nos - trils flared And fier - y coals were kin - dled.  
*These coals of fire and hail And clouds, all praised His glo - ry.*  
<sup>15</sup>And riv - er - beds re - veal The earth's foun - da - tions dried up.  
<sup>19</sup>He brought me out to life And light, for I de - light Him.
